St. Mary the Virgin Episcopal Church, left, in the Virgin Gorda, British Virgin Islands was devastated when back-to-back hurricanes ripped through the Caribbean. The **St Mary's Episcopal Church of Jasper, Al.**, was called to provide ongoing prayer and support to the 135-year-old congregation. A mission trip was organized between Rev. Robin Hinkle and the Diocese of the Virgin Islands. In May 2019, the mission trip was completed with great success. The Jasper church continues to assist and also facilitates donations.
